

**Bible Baptist Church**  
Adult Sunday School Class  
“Fundamentals of the Faith”

**Purpose:** The purpose of this class is to grow in grace and the knowledge of God our Creator and our Redeemer. Through a study of what His Holy Word says about Him, us, and other particular theological topics, our hope is for the Spirit to paint a more-clear picture of who God is, stirring in our heart a greater love for Him and desire to obey Him, and keep us kept from being tossed to and fro by every wind and wave of doctrine (Ephesians 4:14). Also, care will be given to identifying the distinction between true fundamentals of the faith (those that are non-negotiable) and doctrines that allow for some variation in views.

**Standard:** God’s Word, guarding ourselves from our fallen rational thought, emotion and logic and/or tradition(s) from being appealed to as a competing standard.

**Materials Used:** Holy Bible, various translations; Fundamentals of the Faith Workbook; Corresponding audio lectures found at [gty.org](http://gty.org).

**Theological Perspective of Material:** Baptist, Predestinarian, Cessationist, Pre-Tribulational, Pre-Millennial.

**Class Methodology:** Students will come to class having completed the assigned chapter and having had listened to the assigned audio for the week. Time will be given for questions to be asked from the assigned work and the topics presented in class. Several major themes within the assigned chapter will be expounded upon during the class time.
