

*"Preach the gospel, die and be forgotten."*  
— Count Zinzendorf

### New Church members

The church in Siedlce continues to grow. The first weekend of July we celebrated as four people were baptized and joined the church. The Siedlce congregation has grown by eight new members so far in 2022. Not only has the congregation grown numerically, but God has blessed us with a spirit of unity, joy and love. I've attached some pictures of the baptismal service to this email.

### Furlough

For the last three years our oldest daughter (Mikaela) has been attending college in the USA while the rest of our family has been ministering in Poland. It is not simple for missionary kids to transition to independent life in the States. Although Mikaela has done very well, this transition has not been without its challenges. In less than two weeks our second daughter (Maia) will start college in the USA. We are thankful that we have a furlough during this school year, and we will be here to help our daughters during this vitally important stage of life. What a blessing to be able to be in all together in one country for this school year.

### Giving online

We have received many requests to provide a way for supporters to make donations online. Fewer people are using checks and sending donations online will be helpful to many supporters. I apologize that it has taken us so long, but we now have online giving setup. Donations can be made here:

[biblebaptistromeoville.com/ben-layer-missionary-support/](http://biblebaptistromeoville.com/ben-layer-missionary-support/)

Thank you for your faithful partnership in gospel ministry
